

S-25 and S-45 Sound Enclosure and Wall System

You've done everything you can to create a highly functional and aesthetic manufacturing environment. The enclosures you use should enhance rather than detract from your manufacturing facility. That's why it makes sense to put **ArtUSA** on your team. At **ArtUSA** we've been specializing in the design and manufacturing of machine enclosures for over 25 years. We understand how to control noise, splash, mist, dirt, and other environmental factors. So if you are a machine and equipment user, you can get the most cost effective custom designed enclosures on the market from **ArtUSA Industries**, allowing you to concentrate your efforts on producing the highest quality products. For complete information and assistance, call today.
